MEMO

Foreword

We, the BRONC STAFF of Sheridan High School, wish to present to the faculty, students, and friends our 1953 yearbook.

The cooperation of all those concerned, who helped make this treasure book of memories possible, is greatly appreciated.

When in future years you turn the pages of this yearbook, may you be reminded of your pleasant experiences with your *school chums*.

CAMPUS

The Campus consists of the Main Building, the Vocational Arts Building, and the Gymnasium.

VOCATIONAL ARTS

The original building was finished in 1925, and an addition was added in 1948. The Vocational Arts Building is divided into five parts: Mechanical Drawing, Metal Shop, Woodworking, Agriculture and Machine Shop.

GYMNASIUM

Finished in the fall of 1950, it is one of the leading gymnasiums in the state, and will seat between 1,500 and 2,000 people. This building is used all year around for voting, sports, meetings, dances and other community activities.

The conviction that all men must carry the responsibility in a democratic society—the responsibilities of his free institutions and ideals—and that all must therefore be educated, has been one of the foundation-stones upon which our nation rests. The decision that this nation was to be a free nation for every man was a radical idea, and an American ideal, and one to which we have clung and devoted our energies and our talents and pinned our hopes down to this very hour. The promise of America lies in the continued acceptance of this goal by the generation of Americans now in our schools.

Your opportunities to serve yourself and your nation better have been made possible by this American ideal. Your responsibilities are correspondingly great. It is our hope at S.H.S. that we have given you the opportunity to prepare yourself, and that you will prove worthy of our confidence.

Your Bronc mirrors the activities of the students of Sheridan High School. It is a moving picture of the happiest days of your life. Your problems here have been real and the degree to which you have accepted them and sought their solution predicts your success in the future. Youth today possess valuable qualities which only need development. School is the proving ground for you. Sheridan High is proud to have assisted and to have played a part in your growth. It will take pride in your future success.

Members of the National Honor Society are chosen by a student-faculty vote at elections held every spring and every fall. Fall elections are open to members of the senior class only, while spring elections include members of the out-going junior class as well as members of the senior class. Only the upper one-third of the two classes is eligible to be put on ballot, and from that group only a certain percentage of the entire class enrollment can be voted upon. Not only scholarship, but also service, character and leadership are considered for election to the Honor Society.

AUXILIARY

First row: Natalie Owen, Jean Turner, Gretchen Hartwig, Judy McDowell.
Second row: Helen Urmson, Martha Powell, Clarice McIntosh, Elizabeth Bentley.

WONDERFUL WYOMING GIRLS' STATE

Wonderful Wyoming Girls' State is an organization sponsored and directed by the American Legion Auxiliary. Girls' State was first organized in 1941 and weekly sessions are held each year on the campus of the University of Wyoming at Laramie in the month of June. Delegates to these sessions are selected in the spring of their Junior year.

These representatives are selected from a list recommended by the principal of the high school, attesting their qualification of leadership, scholarship and character.

The objective of Girls' State is to provide citizenship training for girls of this high school age group; to afford them an opportunity to live together as self-governing citizens; and to inform them about the duties, privileges, rights, and responsibilities of American citizenship, in order that they may understand and participate in the functioning of their government.

Sponsoring organizations for the girls of 1952 Girls' State were as follows: B.P.W., Eagles Auxiliary, P.E.O., Sheridan Woman's Club, V.F.W., A.A.U.W., Ranchester Woman's Club, and Big Horn Woman's Club.

Boys' State

First Row: Don Ralston, John Kidd, Tom Donahue, Ronald Bodine.
Second row: Pete Schunk, David Hallowell, Sam Day, Paul Anderson.

WONDERFUL WYOMING BOYS' STATE

Boys' State is an annual event sponsored by the American Legion. Sessions are held at the beginning of every summer vacation period at the University of Wyoming camp located at Centennial, Wyoming. Junior boys are eligible and are chosen by sponsors near the end of their Junior year.

The objective of Boys' State is similar to that of Girls' State which is summarized on the preceding page. In addition to those activities mentioned the boys have a week of active, outdoor, recreation which has been directed in recent years by former Wyoming basketball star, Kenny Sailors.

The week is climaxed with a trip to Cheyenne. Highlights of this trip are a tour of the capitol building, a visit to the governor's mansion, and a closing dinner ceremony.

Sponsoring organizations for the boys of 1952 Boys' State are as follows: American Legion, Eagles, Lions' Club, Kiwanis Club, Rotary Club, Elks Club, and Ranchester Rotary Club.

Fifth row: Beaton, Rhein, Balden, Bates, Andrews, Brommer, Dustin, Bergman, Allen, Jordan, S. Owen, Pence, Lindamood, Barker, Eagleton, Sampson, Marshall, Mooney, Marschang.

"S" Club is the honorary lettermen's organization for athletes in S.H.S. Membership is restricted to boys who have earned a letter in varsity sports (football, basketball and track). In order to maintain membership, members must give service and cooperation and show interest in the club. Among their activities are the annual initiation and the "S" Club Dance. They are also in charge of the concession stand at the school basketball games. The "S" Club has its own constitution and strives constantly to improve its great organization.

"Veni, Vidi, Vici"

The study of the language we speak should bring to any high school student an appreciation of the beauty of the English language, a knowledge of the correct use of words, and a desire to develop the ability to express his thoughts clearly and forcibly. English should help a student to prepare his other lessons, to secure a good position after graduation, and to make him feel at ease in any of his social contacts.

The study of Latin has the following objectives—to increase ability in the use of English by practice in translation; to develop an historical and cultural background of the Roman people; to develop mental habits of accuracy, thoroughness, and logical thinking.

Spanish gives one a personal satisfaction of being able to speak and read another language. Its knowledge contributes to international neighborliness by bringing an understanding of the customs and ideals of the Latin Americas and Spain, and by interpreting them to others.

Special Honors

Gretchen Hartwig was awarded a radio-phonograph combination for being selected the state winner of the "Voice of Democracy" contest, which was sponsored by Junior Chamber of Commerce, and the Radio-Television Manufacturers Association.

The Sears Roebuck award trip to Chicago was won by Jo Ann Boyd for outstanding 4-H work in the state of Montana. Jo Ann was also chosen "Miss Shabow of 1953" by the Sheridan High Band.

Quill and Scroll

Back row: Helen Urmson, Marilyn Marshall, Ida Oelschlager, Barbara Haynes, Paul Anderson, Mary Alice Wright, Barbara Bentley, Marlene Andrews, Evelyn Bylund, Norah Moon, Jo Ann Boyd, Judy McDowell, Dick Minick.
Front row: Marjorie King, Pete Schunk, Gretchen Hartwig, Mary Ann Sampson, Clarice McIntosh, Martha Powell.

Marjorie King is crowned "Wool Princess" by Governor Frank A. Barrett. Marjorie is the state winner of "Make It Yourself With Wool" contest, which is sponsored by the *Wyoming Wool Growers Association*.

Helen Urmson was awarded a \$500 scholarship to the University of Wyoming by The Wyoming Automotive Company.

Clarice McIntosh was chosen Local 1953 D.A.R. Pilgrim.

"Scotty Scott" won a half-back position on the 1952 All-American Football Squad selected by the "Practical English" magazine.

OF FRIENDS

Dear Pat,

Here you are at the end of your freshman year and me at the end of my sophomore. We have "messed" around together for all of our lives and we have many years to look forward to. Haven't we had fun?!

Don't forget our "chats" in study hall and our fun at Christmas time. The time we cut a certain somebody's hair and just everything. You're going to make a wonderful speech member. I can hardly wait until we can attend the meeting together can you?!? You're a cute gal and will really go places.
Lots of love

The Typewriting Department is equipped with Underwoods, Smiths, Royals and Remingtons—44 in all. Everyone completing Typing I should be able to do personal typing. One year is recommended for everyone, but second year work only for those planning to use the skill commercially.

In Shorthand I, the pupil learns his basic Gregg shorthand system. Emphasis is on the acquisition of speed and accuracy during this year; while in the advanced work, it is mainly on the development of a commercially salable transcription skill.

I wonder if Gregg's characters looked like this!

Where, Oh where, did that extra ten dollars come from ? ?

First year bookkeeping deals with the basic principles of sole proprietorships. During the second year the pupils learn the additional principles of partnerships and corporations. Machine posting and calculator drill are taught in a one-semester course. Business arithmetic is a no-textbook course stressing everyday arithmetic such as payroll reporting, income tax, public utility and local taxation problems.

DAVID HUNTER TAIT

Stockbridge School of Agriculture; University of Massachusetts; University of Wyoming; Illinois College of Foot Surgery, Chicago, Illinois. Subject: Biology.

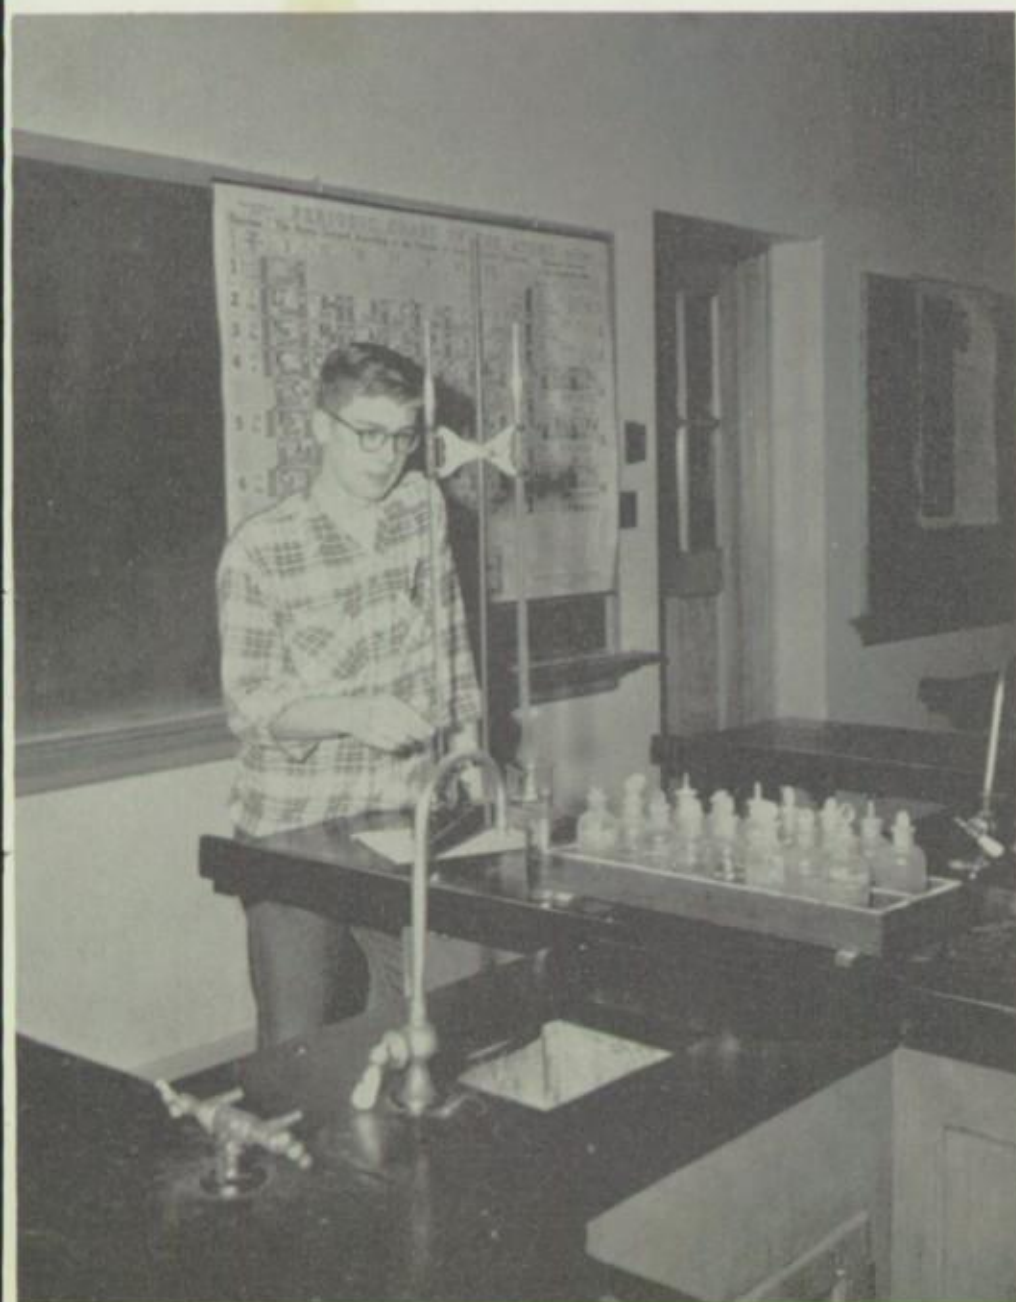

Sheridan High School offers four years of science. General Science, a course for freshmen and sophomores taught by Mr. M. B. Major, gives a general survey of the field of science. It helps prepare students for the other science courses, and gives those students who take only one year of science some needed knowledge of the subject.

Anyone lost a cat?

Geniuses at Work ? ?

HCL—NaOH—NaCL—H₂O ? ?

The Biology Department has ample space and materials to adequately instruct the youth of area in those knowledges, arts and skills pertaining to the study of biology. The biology courses should enable students to become well grounded in the basic concepts and philosophies as well as the structures and processes that are concerned with life in general. This foundation may be used as a stepping stone to biologically related vocational fields. This course is taught by Mr. D. H. Tait.

The Chemistry and Physics Department of Sheridan High School is adequately equipped to take care of the needs of the students of Sheridan High School in elementary Chemistry and Physics. Twenty-eight desks are available for Physics and Chemistry; a total of ninety-six lockers are available for Chemistry. The fundamentals of inorganic Chemistry are thoroughly studied in Elementary Chemistry. A brief introduction to the field of organic Chemistry is included during the second semester of the Course.

Sections on mechanics, heat, light and electricity are covered in High School Physics.

Starting practice in the middle of August the Broncos began the season with 12 returning lettermen. The initial game which showed the great strength of the Sheridan team was against a highly rated Worland team. Worland went down to defeat by a score of 43-14. The Billings Broncos turned in a 22-7 victory for the only win over our Broncos in a game at Billings. The S.H.S. team defeated Rock Springs in the first conference game of the year by a margin of 20-0. Next they won successive non-conference victories over Rawlins 51-12, and Cody 39-6. In playing two of their best games of the year Sheridan went on to defeat Cheyenne 45-0 and Laramie 38-7. Lovell cancelled their game with Sheridan, and in the State Championship tilt the Broncos brilliantly romped over the Casper Mustangs 45-20.

The Colt Football Team had a very full season this year with games scheduled against Buffalo, Billings, Casper and Gillette.

Due to a combination of the excellent instruction received from Coaches Lillibridge, Straley, and Ayers, and the valuable experience received in this year's contests it can be expected that many of these fine players will be seen on the Bronc Football Squad of next year.

The score of this year's games were as follows:

The Colt basketball group, who are the future Broncos, is composed of Freshmen and Sophomores. This year they were somewhat hampered by several of the more promising Sophomores being graduated to the Broncos. Nevertheless, under the able guidance of Coach Maurice Lodge they made a creditable showing against formidable opponents. The Colts play "B" teams of Buffalo and Gillette as well as numerous Class "C" teams in northern Wyoming. In this manner they receive necessary experience for their future basketball years.

BRONC—Gretchen Hartwig, Sue Pearce, Judy McDowell, Norma Rose, Helen Urmson.

Cheer Leaders

The sparkling gayety of the S.H.S. cheerleaders highlight all sport occasions. They show school spirit not only on the courts, leading cheers, but in everyday school life.

COLT—Betty Beaton, Paula Jackson, Bonnie Walthall.
